Ride into history with stage driver, Burrell Maier.

Photo by Trudy Johnson

Explorers. Trail Builders. Pioneers. Innkeepers. Artists. Conservationists. The story of these and other early Yosemite settlers can be found by crossing the historic covered bridge in Wawona and taking a walk through time. It is a story of the creation of one of America's first national parks. It's a story filled with hopes and dreams, struggles and conflict as our nation grappled with the concept of the preservation of wilderness.
